

2021 VIRTUAL Youth Instrumental Music Contest

Dear Assistant Governors, Club Presidents, and Music Contest Chairs,

“What a wonderful opportunity this was! Even though my daughter didn’t place, the experience of competing at this level was great. Your organization is really to be commended for supporting this kind of contest. Now I know about Rotary!”

This is the kind of remark we hear every year at all levels of our Rotary music contests. So, it is with pride that Rotary District 5190 announces its annual Youth Instrumental Music Contest to be held virtually this year with the winning presentation to be highlighted at the Virtual RALLYE Conference on May 1, 2021.

Youth Service has long held a high priority in Rotary, and by organizing club, area, and district music contests we serve our young musical talent in this district! We also provide the financial motivation of prize money and interesting venues for musical competition.

Assistant Governors, you will be responsible for chairing or delegating your area contest. Please email me the contact information of the person who will be responsible for the area contest if it is delegated.

Please submit your area winner’s name by the deadline of March 31, 2021. Your area competition needs to be scheduled after your club competitions and prior to that March deadline. The sooner the date is set for the area competition, the better.

Club Presidents, please name a club chair for your music contest as soon as possible. S/he will then organize your club-level competition in order to have a club winner for the area competition. I recommend that your club chair confer with your area chair and with local schools’ calendars in order to schedule a club competition no later than the end of March. Information the chairs will need to conduct the contest can be located on District 5190 website: <https://district5190.org/page/district-music-contest>

Please feel free to call or email with any questions as they arise, and thank you for all you do for Rotary and our communities!
